Enrichment Academies

Founded and operated by Gabrielle Fontana, Enrichment Academies, Inc (EAI) is excited to be back managing the After School Clubs program (ASC) at Somerset Elementary School for the Somerset PTA! Gabrielle is a mother of three children who attend or recently graduated from Chevy Chase Elementary school CCES. Gabrielle has been managing their ASC program for five years and is thrilled to have the opportunity to offer the same unique ASC program to Somerset. It is EAI's mission to provide a rich, rewarding and diverse after school experience to students, parents and educators with a variety of price points, session days and session end times. Most clubs are offered directly after the students' school day and will provide students opportunities to explore new activities, develop skills, exercise and connect socially with a greater cross section of their school peers outside the classroom.

News for 2016-17 School Year

We are delighted to announce that EAI has secured Westland's retired drama teacher, Mrs. Cosby, to run the school plays. We are also happy to announce that there will now be 2 play productions: a 3rd/4th grade play during the fall/winter session and a 5th grade play during the winter/spring session. This will provide increased drama opportunities for the students. Based upon parent survey feedback, EAI will be adding afternoon Spanish, astronomy and drawing. Popular clubs from last year will be returning and new club offerings added.

EAI Club Experience

Enrichment Academies will offer three sessions of clubs: fall, winter and spring. One of our goals is to give the parents and students an entire view of the clubs and activities offered at the school under one umbrella. This helps parents view all club opportunities at a glance without registering for a club and then finding out a week later an additional activity has been added to the school's schedule.

Club Schedule Overview

EAI will provide an overview of the upcoming fall schedule by mid-August and an overview of the winter & spring clubs by mid-fall. This enables parents to start planning their child's schedule with other activities. These overviews will detail which clubs (with appropriate grade levels) will be running on each day of the week. *Please keep in mind this is a draft schedule for the year and some revisions to the club schedules may occur.*

Club Catalog

EAI provides a club catalog to all students at least a week prior to the start of registration. In our experience the catalog generates anticipation, excitement and interest amongst the students about upcoming club opportunities. EAI encourages students to be part of the club selection process and collaborate with their friends in exploring club opportunities. The catalog provides details on the online registration process, club descriptions, club dates, pricing and additional club policies for parents.

Open /Early Bird Enrollment

EAI offers open enrollment, with a specific registration start date. Club fees for the first four days of each registration period will feature discounted Early Bird pricing. We urge all parents to take advantage of early bird enrollment so minimum enrollment numbers can be met and accurate rosters can be distributed to instructors prior to club start dates. After the four-day Early Bird window, online club registration will be available at an additional \$10 per club .

Club Communication

In an effort to provide proactive feedback on club activities, EAI requests that each club instructor send weekly emails (or eight week club overview) to parents of enrolled students to inform them of events in their children's club experience. In addition, EAI provides an email (or phone call if needed) to parents of absent students. This helps parents and students adapt to the weekly after school clubs routine.

Registration

EAI provides a simple, easy-to-use registration system. This system provides parents a weekly calendar view of the clubs along with specific club meeting dates and times (in case their club catalog is not in arms reach!) Website address and more details will be provided closer to the start of fall registration.

Annual Registration Fee

A registration fee of \$25 is required during each students' first club registration of the school year. This is an annual fee per student per school year. Once paid, subsequent club registrations for that student during that school year will not incur this fee. This revenue from this fee helps offset the cost of providing a quality

after school club program. EAI does exempt Scholarship students from the annual registration fee.

Parent Feedback

EAI welcomes and encourages feedback from parents. Your input helps to build a stronger program as clubs can be added or improved in subsequent sessions. All correspondence should be directed to Gabrielle@Enrichment-Academies.com

Schedule of Important Dates

Please note: Fall clubs will start the week of October 3rd. Specific dates for all clubs will be included in the Somerset ASC Catalog and within the online registration system.

Fall Session

September 2nd: CATALOG DISTRIBUTION via student backpack
