

## **Somerset Elementary School Communications**

**PTA Weekly Newsletter** (called the **TIN** which stands for **Today Is Newsday**) - The PTA sends out a weekly email via the Somerset-net List Serve. To receive this email (and other important emails and communications from the PTA, MCPS and Somerset Staff) please join the Somerset-net List Serv **by sending an email to [somerset-net-subscribe@yahogroups.com](mailto:somerset-net-subscribe@yahogroups.com)**. Please include your students first and last name(s) & grade(s) in your email.

**Student Directory** - The Somerset PTA provides a student directory in print and as a mobile app which comes out in early October of each school year. The directory also includes staff contact information, class lists, school information and schedules and other important information.

If you are new to the school and want your information in the directory please go to <https://www.atozdirectories.com/login/> and join as a new family. If you were in the directory last year please log on before each school year to verify your information. All families (even those who did so last year) must verify their information every new school year.

**Questions? Need help.**

**Please contact [communications@somersetpta.org](mailto:communications@somersetpta.org)  
Include the name(s) & grade(s) of your students.**
