

THE PTA NEEDS YOU!

Can you spare an hour? Not sure how you might help? Find a volunteer opportunity that fits.

Diversity Night

This is many families' favorite night at Somerset. We are looking for volunteers to help put this event together, including committee members, country captains, and state captains.

Wellness Committee

Interested in fitness or nutrition, or have some ideas on how to bring more "wellness" to Somerset? Please join the Wellness Committee!

Facebook/Social Media

We have a lead volunteer for this and are looking for people to provide content and coverage as needed.

"On Call"

For those who are willing to pitch in but have unpredictable schedules. No commitment required, just a willingness to be on a text/email list that sends requests for a task. If you can do it, reply to the group. If not, delete it! Examples of requests include:

- Pick up 100 cups on your way to the school picnic
- Call District Taco to schedule delivery of the teachers' lunch
- Make a flyer and deliver 100 copies to the front office
