Enrichment Academies- New Parents

Enrichment Academies, Inc (EAI) welcomes all new parents to Somerset! EAI has been managing the after school club program at Somerset for 4 years. It is EAI's mission to provide a rich, rewarding and diverse after school experience to students, parents and educators with a variety of price points, session times and days offered. Most clubs are offered directly after the school day and provide students opportunities to explore new activities, develop skills, exercise and connect socially with a greater cross section of their school peers outside the classroom.

News for 2018-19 School Year

Thank you for participating in the 2017 annual EAI Club Survey. This is an invaluable tool to help improve the Club Program. Based upon parent survey feedback, EAI will be changing the **registration start time to 10am**. An afternoon book club will be added along with morning tennis. Popular clubs will be brought back, but with updated curriculum to keep returning students challenged. New science, dance and language clubs have also been added to the fall schedule.

EAI Club Experience

Enrichment Academies will offer three sessions of clubs: fall, winter and spring. Parents can view all club opportunities, at a glance, prior to registering.

Club Schedule Overview

EAI will provide an overview of the upcoming fall schedule by late-August and an overview of the winter & spring clubs by mid-fall. This enables parents to start planning their child's schedule with other activities. These overviews will detail which clubs (with appropriate grade levels) will be running on each day of the week. *Please keep in mind this is a draft schedule for the year and some revisions to the club schedules may occur.*

Club Catalog

Club catalogs will be sent home with each student (and distributed electronically) at least a week prior to the start of registration. The catalog provides details on the online registration process, club descriptions, club dates, pricing and additional club

policies for parents. EAI encourages students to be part of the club selection process and collaborate with their friends in exploring club opportunities.

Registration

EAI provides a simple, easy-to-use registration system. This system provides parents a weekly calendar view of the clubs along with specific club meeting dates and times (in case their club catalog is not in arms reach!) Website address and more details will be provided closer to the start of fall registration.

Open /Early Bird Enrollment

EAI offers open enrollment, with a specific registration start date. Club fees for the first four days of each registration period will feature discounted Early Bird pricing. We urge all parents to take advantage of early bird enrollment so minimum enrollment numbers can be met and accurate rosters can be distributed to instructors prior to club start dates. After the four-day Early Bird window, online club registration will be available at an additional \$10 per club .

Club Communication

In an effort to provide proactive feedback on club activities, EAI requests that each club instructor send weekly emails (or eight week club overview) to parents of enrolled students to inform them of events in their children's club experience. In addition, EAI provides an email (or phone call if needed) to parents of absent students. This helps parents and students adapt to the weekly after school clubs routine.

Annual Registration Fee

A registration fee of \$25 is required during each students' first club registration of the school year. This is an annual fee per student per school year. Once paid, subsequent club registrations for that student during that school year will not incur this fee. This revenue from this fee helps offset the cost of providing a quality after school club program. EAI does exempt Scholarship students from the annual registration fee.

Parent Feedback

EAI welcomes and encourages feedback from parents. Your input helps to build a stronger program as clubs can be added or improved in subsequent sessions. All correspondence should be directed to Gabrielle@Enrichment-Academies.com

Schedule of Important Dates

Please note: Fall clubs will start the week of October 1st. Specific dates for all clubs will be included in the Somerset ASC Catalog and within the online registration system.
